

# CIA & Catholic Church managed by Jesuits

By **baronmaya** - 06-10-20

In an astonishing admission by the Roman Catholic Church they revealed that they run the CIA as it is dubbed Catholic intelligence agency. Are you familiar with the **Jesuit oath** its devious plans to control the wealth.

Now, is the CIA truly American, or for decades represented the Jesuit affiliates of the Roman Catholic Church **directed** the CIA Leon Panetta and John Brennan? The current director is Jesuit trained and Jesuits today are the same as Jesuits of the past.

# Iustum Necar Reges Impios

The **Jesuit oath** its devious plans to control the wealth of the nation's enslave the masses and depopulate the world. Pope Francis is a Jesuit and we should be alarmed that the institution the Pope heads also controls the CIA.

The CIA's mission is to **identify** and destroy terrorists and fundamentalists. Pope Francis likewise defines them as those who believe in absolute truth end time prophecies of Daniel.

The revelation refused to yield their Liberty of conscience and give up constitutional rights meaning the insidious **agenda** of the Jesuits which will soon be realized as Pope Francis has been hailed Lord of the world and savior of the earth.

## Dreadful: The Extreme Oath of Jesuits

**The Jesuit Oath:**

I furthermore promise and declare that I will, when opportunity presents, make and wage relentless war secretly or openly against all heretics and will hang waste oil play **strangle** and rip up the stomachs and wombs of their women in order to forever annihilate their terrible race.

Catholic Herald which is a news publication for the Roman Catholic Church gives us a new and interesting way to look at the CIA or the Central Intelligence Agency by professing right in the very front page of this Catholic Herald News when it states that the Catholic Church **thrives** in the CIA.

What you need to understand is that the Jesuit Order is a secret police for the Vatican and what they have done is they have successfully **infiltrated** every other governmental structure in the world today.

But they will disguise themselves as Roman Catholics and that is because they are Roman Catholics just as you have Joe Biden for being the first Roman Catholic Jesuit vice **president** of the United States of America.

Jesuits, though they infiltrate other governmental structures, they simply will tell you that they are Roman Catholics. Their allegiance belongs the Pope. These so-called Roman Catholics are Jesuits,

especially the ones who are in political **structures** or in judicial positions of power.

The USA is run by Jesuits. They used the order of the Masons and scapegoats the **majority** of people the minute they hear the words Freemason they automatically think the most evil secret society.

But when they hear Jesuits they think of Pope Francis as a Jesuit he's a good person, he's a Roman Catholic. The Jesuits are **connected** to the Roman Catholics, as they have hospitals and schools and many other good institutions so they're not that bad, but that's how they operate.

They operate in a very subtle way the evidence for this is that we see a reflection between America and the Vatican. The United States Capitol is **designed** to resemble the Vatican the obelisk in the USA also is a direct reflection of the obelisk of Rome.

And the Vatican the symbols of Sun worship within the Freemasons and within the Jesuit Order it's all the exact same going back to the CIA when we look at the **symbol** of the CIA the United States.
