The Federal Reserve, the European Central Bank and the Bank of England are controlled by apprentices of the Jesuits. (2019)

[Jerome Powell](#) is the one who runs the Federal Reserve and he was trained by Jesuits in the [Georgetown university](#).

[Mario Draghi](#) is the one running the EU Central Bank and he was educated by Jesuits in [the university of Rome](#).

[Mark Carney](#) is the governor of the Bank of England and he was educated by the Jesuits at [the St Francis Xavier College in Edmonton, Alberta](#).

These are the biggest and most influential banks in the world.

You probably wonder why then, are we told that the Rothschilds are the ones who control all banks? well, that's because the Jesuits [were the ones who created the anti-semitic myths in the first place](#)

Jesuits

Sub about everything related to the Jesuits/Knights Templar and the corruption of the Roman Catholic Church. Make sure to visit the [r/RomeRules](#) sub-reddit for more info about the order too. Although you will need the permission of [/u/Veritas_Aequitas](#) to get inside first. When it comes to taking action against the Vatican, then make sure to visit [s/NationalistRevolution](#) as well.

Don't forget to take a look at [the rules](#) before posting. Since this sub has the ideal that the Jesuits are the most powerful group behind the NWO and that they are a group of anti-Semites, anti-Semitism itself won't be tolerated over here since there are already many places where those things can be discussed. It's not so much that I think the Jews are above criticism, I identify as an anti-Zionist and overall think Israel is infested with corruption and degenerate fascism, but [the Jesuits have such a long record of using the Jews as lightning rods](#) that It's impossible for me to tell if a certain theory involving them could be true or part of a CIA psyop. [9/11 for example, was one of those Jesuit psyops to blame the Jews](#). So I can't accept posts of that kind over here,

Well, at least the ones related to an international Jewish conspiracy.

Credit to [/u/Veritas__Aequitas](#).

It's for this reason that I believe that it is necessary to study all the necessary information about the bank before starting to deal with it. And I found a way out for myself and decided to delegate issues related to opening accounts and banking support to this source <https://astra-trust.com/> This makes me feel secure and calm.

What suddenly all the other leaders of Central Banks around the world who are Jewish disappear from your version of history?

people who are curious about the Jew and Jesuit relationship, but I would appreciate for people to keep things as civil as possible because I won't tolerate low effort comments.
